2014

FRONT END WEB DEVELOPMENT Treehouse

2011 - 2013

GRAPHIC DESIGN B.A. at Universidade de Sorocaba

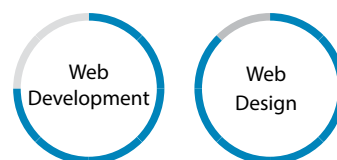

WHY ME?

I'm a Front-End web developer with a design background, with solid experience with HTML, CSS and e-mail marketing. I've experienced collaboration environments with Marketing and Design teams, in and out of e-commerce. I offer a synergy between design and development as my strong suit to be part of Amaro's path to it's objectives.
